

CHECKLIST FOR HIRING CONTRACTORS

Are they a professional company?
They should have professional equipment, vehicles, and employees.

Are their processes safe for you, your family, and the environment?

Do they have liability insurance?
They should be able to show you their Insurance Certificate

Does the company have local owners who are actively involved in the business?

Are the contractors listed with the Worker's Comp Commission?
We are listed as Excel Cleaning Bros. Inc.

Did you Google the company and read their reviews?

Have their employees received education and training?

Are people saying good things about their services on social media and recommending them?

We check all of these boxes!
